NOTICE TO ALL STUDENTS OF III BBA 'A' SECTION

Appreciation For Cleaning Of Kothanur Lake

Heartiest wishes and appreciation to the Students of III BBA 'A' section for organising a 'CLEAN THE LAKE' event on Sunday, 24 October 2021. While many are a part of the pollution, we are extremely proud that our dear students have been a part of the solution. Thank you, dear students, of III BBA 'A' for your mammoth effort in cleaning Kothanur Lake, for risking your own health and lives especially during these challenging times of COVID-19, and for upholding the name and the ideals of St. Joseph's College. Our students' painstaking effort, selfless service, dedication, sacrifice, preparation, planning, and teamwork are truly inspiring and worth emulating. Looking forward to SJC serving society in many such ways. We also thank the Kothanur Lake Development Association for their co-operation and for acknowledging and appreciating the hard work of our students.

To,

All Students of III BBA 'A' Section
