1.0 About the College

St. Joseph's College (Autonomous), Bangalore is one of the oldest colleges in the state of Karnataka with a history of more than 137 years. It has been conferred as College of Excellence by the University Grants Commission (India). The college is awarded a rating of A++ (3.79/4), in the 4th cycle of re-accreditation by the National Assessment and Accreditation Council (NAAC) in 2017. St. Joseph's College has around 300 teaching and non-teaching staff and more than 6000 students.

<u>VISION</u>

St. Joseph's College's objective is to prepare men and women for the service of others, especially the poor and the oppressed. We provide opportunities to the students to critically understand society and its structures so that education will assist them in working for a humane and just society. Stress is laid on academic excellence, character formation and social concern.

MISSION

- 1. <u>Academic Excellence</u>: Studying subjects is a major task. All the necessary facilities are made available for students like reading room, good library and computer lab with internet facility to assist them in the same.
- 2. <u>Character Formation</u>: Character development is an essential aspect of education. A person is what his/ her values are. Your character includes your behavior, your values and attitudes to life and to others and the way you face life. Building up character, a sense of hard work, perseverance, honesty, integrity, sensitivity to others and universal love that embrace all people, cutting across barriers of language, religion and caste.
- 3. <u>Social Concern</u>: The Management has made a policy of admitting, as far as possible, students from the socio-economically marginalized groups. It is the vision of the college to train students who are socially conscious and ready to stake their lives for the oppressed and the exploited. Our task as educators is to create in the student a deeper understanding of oneself and to change the world by creating plentiful opportunities for personal and social growth and total development. For the members of the Society of Jesus, education is not a commercial activity. It is a mission.

Our mission is to build up a group of young men and women who would be agents of change in society and work towards a secular world of fraternity, equality, and justice.

2.0 Faculty of Commerce and Management

Department of Commerce and Management at St. Joseph's College provides an enabling environment to help its students stand out both academically and in shaping them to an overall balanced personality both in terms of the college's vision and today's competitive environment. Since its commencement, the Department has continuously evolved offering diverse programs in the field of business studies. The Department aims at a holistic and integral formation of its students, fostering in them a spirit of academic excellence, character formation and social concern, shaping them to become "men and women" for others. The department strives to equip in its students' skills required to face the challenges of a dynamic business world.

<u>Vision</u>

To impart value-based quality education to serve the ever-changing global needs in the field of commerce by preparing men and women who will be agents of change.

Mission Statement

The Department of Commerce and Management strives to provide quality Commerce education by adopting effective teaching-learning processes along with developing the required values, skills and attitudes to create business leaders with a passion for the world of business who will understand the economic, social, and global context of business.

3.0 Program Profile

The Programme is designed to provide a basic understanding of Management education and to train the students in communication skills effectively and inculcate entrepreneurship skills and decision-making capabilities. The Programme also includes practical exposure in the form of case studies, projects, presentations, industrial visits and interaction with experts from the industry. It facilitates students to acquire adequate knowledge in the field of Business administration, HR management, Organizational behavior, Business communication, Management skills, Corporate administration, Finance management, Business laws, Business ethics, Accounting, planning, International business, Event management, Quantitative methods, Research, Marketing, Entrepreneurial Development and Operations management. The Programme also offers CBCS (Choice Based Credit System) in the fourth Semester which is inter-disciplinary in nature.

- Duration: 3 years (6 semesters). A student successfully completing Three (03) years of the program will be awardeda Bachelor's Degree in Business Administration in Strategic Finance (B.B.A- SF).
- Eligibility for admission: Candidates who have completed Two years Pre-University course of Karnataka State or its equivalent are eligible for admission into this course as notified by the University from time to time. Further, a candidate applying for the program must meet the prescribed performance level in admission interview and admission entrance (if applicable).

PROGRAMEDUCATIONAL OBJECTIVE [PEOs]

1	The three year BBA program aims at developing a student's intellectual ability, executive personality, and management skills through an appropriate blending of business and general education.
2	To make sustained efforts for the holistic development of the students and thereby empower them to ably faced the challenges posed by changing business environment
h	The manual electrophy to manual students to be taken and the entropy entropy while initiation of

- 3 The program also seeks to prepare students to be job-ready or drive entrepreneurship initiatives or higher education in business at home and abroad.
- 4 To inculcate a spirit of Ethics and Social Commitment in the personal and professional life of management graduates so that they add value to the society.

4.0 Program Structure

BBA (Strategic Finance) The Programme integrates a bachelors programme in Business Administration with the globally recognized Certified Management Accountant (CMA) certification offered by the Institute of Certified Management Accountants (ICMA), the certification division of IMA, USA. The CMA program is offered the authorised CMA partner Miles Academy. On successful completion of the programme, students will get the BBA degree through St. Joseph's College and CMA certification will be awarded by ICMA on fulfilment of educational requirement and professional requirement. This unique programme is designed to familiarize students with the finance decision-making process and working of financial markets. The programme helps students to:

- Learn the advanced technical tools, analytical skills and creative outlook which are now essential to be successful in the financial world
- The Apply current theory and analytical techniques to real finance industry situations
- The program is designed to provide students with the expert level knowledge of financial planning, analysis, control, decision support, and professional ethics and the working level knowledge of general management subjects.

The Program Consists of:

- 1. Professional Cource (PC): These are courses that are part of CMA program. The coaching for these courses are provided by our partners miles academy.
- 2. Foundation Course (FC): Foundation Courses (compulsory) which give general exposure to a student in communication and subject-related area. The foundation courses are offered at the centralised level by the foundation courses department of the college. The foundation courses are generally offered at the end of the semester.
- 3. Core Course (CC): A course that should compulsorily be studied by a candidate as a core requirement. The core course provides a sound knowledge of the program.
- 4. Allied Course (AC): A course that is being closely associated with the program. Knowledge of allied courses supports better understanding and implementation of knowledge acquired from core courses.
- 5. **Open electives (OE):** These are of general nature and unrelated to the discipline to expose the student in areas such as general knowledge, personality development, economy, civil society, governance, etc.
- 6. Elective Course (EC): Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill.
- 7. Skill Enhancement Courses (SEC): These courses are designed to provide practical exposure to students and equip students with relevant skills required for professional and personal growth. They are as follows:
 - a. **Project work:**Students should undertake project work or dissertation in the 6thsemester of the course. Project work is considered as a special course involving the application of knowledge in solving/analyzing/exploring a real-life situation / difficult problem. A Project/Dissertation work would be of 4 credits.
 - b. **Internship:**As a part of the course completion requirement, it is mandatory for students of BBA to complete 6 weeks of internship after the completion of their IV semester examination.
 - c. Business and Corporate Etiquettes: A course in the 4th semester is designed to help students in developing interpersonal skills, professionalism and corporate etiquette.

5.0 Program Pedagogy

Our teaching pedagogy is uniquely devised keeping in consideration the potential of every student so that it may cater to the needs of students at every level from brilliant, mediocre to average. The pedagogy used by our course instructors encourages independent thinking and helps the students develop holistic perspectives, strong domain knowledge, contemporary skills-set and a positive attitude.

Classrooms Methodologies	Beyond Classroom	Industry Exposure

A.u	91% - 94.99%	4	F
Attendance	85% - 90.99%	3	5
	80% - 84.99%	2	
	75% - 79.99%	1	
	TOTAL		30

GUIDELINES FOR QUESTION PAPER SETTING AND SCHEME OF EVALUATION

- End semester Examination Question Paper Pattern. Time: 2 hours 30 minutes. Maximum marks: 70. The evaluation system comprises of both internal faculty for question paper setting and for valuation of papers.
- Question papers received will go through the Board of Examiners for scrutiny for content, the suitability of marks, the inclusion of topics and typological / mistakes and language.
- 1. Section A: Conceptual (5x2 marks = 10) 5/6 questions: In this section, questions seek to test a student's conceptual knowledge of the subject and fact retaining abilities
- 2. Section B: Analytical (3x5marks = 15) 3/4 questions: Questions in this section are to test whether students can analyze.
- 3. Section C: Descriptive (2 x15 marks =30) 2/3 questions: In this section, students are required to use a combination of facts, concepts, theories and judgment to explain the subject matter. Writing skills are also tested in this section.

Page O

4. Section D: Case Study/ Compulsory Question (1 x 15 marks = 15): This section tests a student's ability to practically apply their theoretical knowledge of the subject. For papers, theory-based papers, either a case study of compulsory questions can be asked. For practical based papers, questions are numerical in nature.All CMA embedded papers will have Section-A with MCQ questions and Compulsory Case study questions under Section-D.

7.0 Glossary

- 1. Program: An educational programme in Business Administration leading to award of Degree. It involves events/activities, comprising of lectures/ tutorials/outreach activities/ project work/viva/ seminars/ internship/ assignments/ presentations/ self-study/ quiz etc., or a combination of some of these.
- 2. Course: Refers to usually referred to as 'subjects' and is a component of a program. All Courses need not carry the same weight. Courses should define learning objectives and learning outcomes. A Course may be designed to comprise lectures/ tutorials/ laboratory work/ fieldwork/ outreach activities/project work/ vocational training/ viva/ seminars/ term papers/assignments/ presentations/ self-study/quiz etc. or a combination of some of these.
- 3. Credit: Choice Based Credit System (CBCS) program in which the students have a choice to choose from the prescribed courses and adopt an interdisciplinary approach to learning.
- 4. Outcome-Based Education (OBE): An approach to education in which decisions about the curriculum are driven by the outcomes the students should display by the end of the course- professional knowledge, skills, abilities, values and attitudes- rather than on the educational process.
- 5. Programme Educational Outcomes: PEOs are statements that describe the Institution's Mission aligned with the program.
- 6. Program Outcomes: POs are statements that describe what the students graduating from any of the educational Programmes should be able to do.
- 7. Course Outcomes: COs are statements that describe what students should be able to do at the end of a course.

COURSE CONTENTS	
Unit 1 INTRODUCTION TO FINANCIAL ACCOUNTING	06 Hours
Accounting: Nature, Objectives and functions of Financial Accounting. Accounting Principle	es, Concepts &
Conventions - GAAP (Concept only). Accounting standards: Definition – importance – Standard	setting in India
–A brief introduction to IND AS, IAS and IFRS.	
Unit 2 ACCOUNTING PROCESS	10 Hours
Meaning – Process of Accounting – Kinds of Accounts – Rules - Transaction Analysis – Jourr	nal – Ledger –
Balancing of Accounts – Trial Balance (Problems). Rectification of Errors- Classification of Errors,	Rectification of
errors which do not affect the Trial Balance, Rectification of errors affecting Trial Balance.	
Unit 3 SUBSIDIARY BOOKS	10 Hours
Meaning – Significance – Types of Subsidiary Books – Purchases Book – Sales Book – Purchase	Returns, Book –
Sales Return Book – Bills Receivable Book – Bills Payable Book – Cash Book (Simple Cash	n Book, Double
Column Cash Book, Three Column Cash Book and Petty Cash Book) and Journal proper. Ban	k Reconciliation
Statement – Preparation of Bank Reconciliation Statement.	
Unit 4 CONVERSION OF SINGLE ENTRY INTO DOUBLE ENTRY	10 Hours
Steps in conversion - ascertainment of sales, purchases, stocks, cash and bank balances, cap	ital etc.
preparation of final accounts.	
Unit 5 ACCOUNTING FOR CURRENT ASSETS AND NON- CURRENT ASSETS	16 Hours
Current Assets: Inventories (Ind AS 2) - Meaning — Objectives - Inventory valuation as per Ind	lian Accounting
standards. Non-current assets (Ind AS 16) - Initial measurement -Measurement after recognition	n or subsequent
to initial recognition - Disposal of Fixed Assets; - Difference between Intangible and Ficti	tious Assets —
Accounting for Intangible assets (Ind AS 38).

COURSE CO	NTENTS	
Unit 1	STRATEGIC PLANNING	08 Hours
Analysis of e	xternal and internal factors affecting strategy; Long-term mission and goals;Aligr	ment of
tactics with lo	ong-term strategic goals; Strategic planning models and analytical techniques; Ch	aracteristics
of successful	strategic planning process.	
Unit 2	BUDGETING CONCEPTS AND METHODOLOGIES	8 Hours
Operations of	and performance goals - Characteristics of a successful budget process - Resource	allocation -
Forecasting t	echniques (Regression analysis, Learning curve analysis, Expected value) - Annual	business
plans (maste	r budgets) - Project budgeting - Activity-based budgeting - Zero-based budgetin	g - Continuous
(rolling) budg	gets - Flexible budgeting.	
Unit 3	TOP-LEVEL PLANNING AND ANALYSIS	08 Hours
Annual profit	plan and supporting schedules - Operational budgets - Financial budgets - Capi	tal budgets -
Pro forma ine	come - Financial statement projections - Cash flow projection	
Unit 4	COST AND VARIANCE MEASURES	16 Hours
Comparison	of actual to planned results - Use of flexible budgets to analyse performance - N	anagement
by exceptior	- Use of standard cost systems - Analysis of variation from standard cost expect	ations
Unit 5	PERFORMANCE MEASURES	12 Hours
Product prof	tability analysis - Business unit profitability analysis - Customer profitability analy	sis - Return
on investmen	t - Residual income - Investment base issues - Key performance indicators (KPIs) -	Balanced
scorecard.

COURSE CO	NTENTS				
Unit 1	INTRODUCTION TO MANAGEMENT	10 Hours			
Evolution of r	nanagement thought: Classical School of thought (Contributions of Taylor and Fay	ol) – Neo-			
classical Scho	ol – Human Relations Approach (Hawthorne Experiments) and Behavioural Scienc	e Approach			
(brief outline)	– Modern Management Theory - Quantitative Approach, Systems Approach and	Contingency			
Approach. N	ature and significance of management - Managerial roles - Mintzberg - An overv	iew of			
functional are	eas of management - Principles of Management – Managerial skill set.				
Unit 2	PLANNING FORECASTING AND DECISION MAKING	8 Hours			
Planning: Cor	ncept, process and objectives – Types of plans – MBO & MBE, Corporate planning	g: Environment			
analysis and	diagnosis. Forecasting: Meaning and purpose of forecasting – Techniques of fore	casting -			
Qualitative a	nd quantitative Decision making: Concept and process; Delegation and Principles	of			
delegation: S	trategy Formulation.				
Unit 3	ORGANIZING AND STAFFING	10 Hours			
Organizing:	Nature and Purpose of Organization – Principles of Organization – Organization	structure and			
types – Depo	artmentalization – Committees – Centralization vs. Decentralization of Authority –	Span of			
Control – Me	aning - Factors affecting span. Staffing: Nature and Process of Staffing				
Unit 4	LEADERSHIP, MOTIVATION AND DIRECTING	12 Hours			
Motivating a	nd Leading People at work: Leadership: Concept and leadership styles: Leadershi	p theories-			
Trait theory,	Rensis Likert Management theory, situational contingency theory; Motivation: Cond	cept, Theories			
- Maslow, Herzberg, McGregor, Ouchi, Vrooms expectancy theory. Financial and non-financial incentives.					
Directing: Meaning – Principles and techniques of directing.					
Unit 5	MANAGERIAL CONTROL, CO-ORDINATION AND CHANGE MANAGEMENT	12 Hours			
Managerial a	Managerial control: concept and process: Effective control system: Techniques of control- traditional and				
modern. Co-o	ordination: Meaning – steps and methods of co-ordination. Concept, nature and p	rocess of			
planned char	nge: Resistance to change: Emerging horizons of management in a changing enviro	onment			

SECOND SEA	AESTER
