

NOTICE

24-09-2021

The list of candidates applied for the CA improvement and the teacher in charge are listed below. The activity and mid semester test for these candidates will be conducted along with the regular students or separately, which will be decided by the department. Candidates writing the CA improvement, will be writing the test and semester examination in the current syllabus for the same course. If the course has been removed from the curriculum, the HOD will suggest an alternate course, in the current syllabus. As NEP is introduced in the academic year 2021-22, the first semester examinations will be conducted on the syllabus taught in 2020-21.

Questions regarding the CA improvement can be addressed to Mr. Lenord Aiman: leonardaiman0794@gmail.com
