Attention: 4th-semester mentors: Term Paper Title registration

A few IV semester students are finding it difficult to register for their Term paper Title and Guide in the Linways portal. Some are not able to find a guide for their Term Paper. The names of the new faculty members also will be added as Term Paper Guides.

IV semester Mentors are hereby requested to contact the students and help them in the registration process. Kindly coordinate with Mr.Sachin Acharya and see that all students complete the registration latest by the 10th of September 2021.
