#### MIDSEMESTER EXAMINATION-EVEN SEMESTER 22-23

The midsemester examination for Undergraduate programmes and some Post graduate programmes will start from the 13th of March 2023. The detailed timetable for the same is also posted along with this. The time table for those postgraduate courses which are not listed here will be posted by the respective PG coordinators.

There will be only one midsemester examination for all UG and PG semester programmes. Kindly note that if a student fails to write the midsemester examination may register for the makeup examination by paying an examination fees. Eventhough there is no minimum marks for the CA to pass a course, it is advisable to score at least 50% of the maximum marks so that it will be relatively easy to pass that course.

Kindly note that the students are expected to follow the instructions which will be posted on a later date.

The rules regarding prevention of malpractice are posted on the examination section notice board and also on the college website.
