Date: 19 September,2022

Notice to all III Semester UG Students (Except B. Com & B. Voc)

All III semester students except (B. Com and B. Voc.) have to complete a two-credit Skill enhancement course (Skill based) in Artificial intelligence during this semester. The following courses have been identified and will be offered on Infosys platform.
All students are expected to LOGIN to this platform by **23 September,2022.**

Skill Based Courses	Course Level	Course type	Time(hrs)
Artificial Intelligence			
Artificial Intelligence: Types of *Artificial Intelligence*	Intermediate	Self learning	1
Machine Learning using Python Playground	Beginner	Self learning	3
Hands-on *Artificial Intelligence* with TensorFlow	Intermediate	Self learning	2.5
Big Data, *Artificial Intelligence*, and Ethics	Beginner	Self learning	12
Artificial Intelligence and Machine Learning Fundamentals	Beginner	Self learning	9
			27.5

A user manual is prepared (document and video) to assist students to access the above courses. Students are requested to go through this document and also view the video for clarifications and assistance.

Students may note that Skill Enhancement Course is a course completion requirement. For each of the above courses, the candidate has to go through the assessment and certifications. The Course Completion Certificate for each of the modules (total 5) have to be produced to the mentors during the first week of November,2022. A final end semester examination will be conducted on campus during the month of December,2022.
