

ST.JOSEPH'S COLLEGE (AUTONOMOUS)

**SUPPLEMENTARY EXAMINATION
COURSE CODE NUMBER FOR THE SUPPLEMENTARY EXAMINATION (UG AND PG)
OCTOBER 2021 (TO BE CONDUCTED IN MARCH 2022)**

According to the college rule, a supplementary candidate will be given two additional chances to write the examination for a given course in the syllabus they were taught after the syllabus for that course is modified. If the paper is removed from the curriculum for a given semester, a supplementary candidate will be given three additional chances to write the examination in the syllabus they were taught. If the student is not able pass within these chances, he/she has to write the examination in the new syllabus. The subject code mentioned in the admission ticket is the original code the candidate was taught. The subject code offered in this examination for a candidate may be different from that printed on the hall ticket. The list of such candidates and the code numbers are given below
