

## **VISIT TO VIDHAN SOUDHA: A SNEAK PEAK INTO KARNATAKA POLITICS**

*By Sabareesh M Anil (IIM.A Political Science)*

As part of an academic field-trip, students from across the social sciences at St. Joseph's College, visited "Vidhan Soudha" the seat of the Karnataka State legislature on the 24<sup>th</sup> of March, 2022. While the colossal structure draws reverence as a secular government building, incorporating the typical architectural styles of all religions, it was the sanctity and fervour of the parliamentary processes within, which left a lasting impression on the students. Seated in the observer's gallery, the students were able to witness the House entering into the question hour and the subsequent interjections of the Minister for Health & Family Welfare Mr. K Sudhakar, Minister of primary education Mr B.C Nagesh, Minister of I-T and Higher Education Mr. Ashwath Narayan, the former deputy chief minister and leader of the opposition Mr Siddaramiah and the speaker of the house Mr Vishweshwar Hegde Kageri.

We extend our gratitude to Rev. Dr. Maxim Dias SJ and Dr. Karamala Areesh Kumar of the Department of Political Science for having organised and supervised the memorable visit.
